

2010 Napowan Contingent/Provisional Camping

Want More Napowan?

Can't go with the troop?

One week not enough?

This is the first year that NWSC is offering Provisional camping all seven weeks of summer camp. We will provide Scout leadership and a supplied campsite for any single camper wanting to come to Napowan without their troop, or scouts that just want to come for another week. Scouts that have attended the provisional or contingent camp the last few years have doubled up on their merit badges, made new friends and had more fun!

- Earn more Merit Badges
- Older Scout Camping Program
- Improve your scout skills
